[Misconception of dr whately he confounds protestant and catholic tradition they are utterly distinct in their nature protestant society has only the material custody of scripture and its traditions are professedly derived from scripture whereas the primitive church had its traditions independently of scripture and these traditions were the test by which the scripture canon was formed theory of a recent author regarding the chapter xi ritual a key to scripture](#)

[Chapter xii picking the lock](#)

[Can scripture be interpreted like other ancient books argument that it cannot from the history of scripture criticism illustration regard ing baptism second illustration regarding the eucharist by the protestant treatment of scripture the sacrament of unity becomes the main cause of diversity the reasons why scripture cannot be interpreted without tradition are that it was written for those who possessed tradition and those who reject tradition can neither supply its defect from other sources nor from conjecture why god thus inspired scripture pp 231 248](#)

[Sir christopher wren s epitaph applicable to the work of jesus christ in what sense scripture is complete why permanent institutions like ritual are only slightly touched on in scripture from the nature of the new testament we should expect to find minor and secondary matters occupying a more prominent position than others of primary importance important conclusions from this principle how to read scripture pp 249 266](#)

[The formation of catholic ritual by principles recognised in the new testament](#)
